The Virginia Jaycee newsletter is distributed to nearly 800 members statewide. Our website is the core source of statewide information for members. Our state meetings are attended by young professionals from across Virginia. Our members are highly active in new forms of networking including social media.

State meeting sponsorship includes mentions at state conventions in January, May, and August. State Meetings are weekend long events which include training, networking, and formal recognition banquets.

In November, a special Outstanding Young Virginians (OYV) recognition program is held. Please contact our state office for OYV sponsorship options. OYV sponsors receive Community Supporter level benefits as part of that program.
